As an elementary school serving only kindergarten and first grade students in 2011–12, KIPP Austin Comunidad students did not take the state criterion–referenced test, which begins in the third grade in Texas.

In 2011–12, early childhood assessment at KIPP Austin Comunidad supported the development of both English and Spanish in all content for all students. The assessment of early literacy skills included using Development Reading Assessment in English and Spanish (DRA and EDL) and the Texas Primary Reading Inventory (TPRI)/Tejas Lee for students. Math was assessed using weekly teacher–developed math assessments aligned with state standards and Common Core standards.
