75%

Teachers Retained within KIPP  
(67% Retained in Their Position)

632

Number of Teachers

All school, district and state scores reflect a combination of tests taken in English and Spanish. According to the Texas Education Agency, the Spanish-language tests assess the same grade-level academic skills as the English-language tests. State test scores for the 5th and 8th grade include data from the first test administration only.

Data current as of April 5, 2016
