### What is a charter school?

*All charter schools are tuition-free public schools and enrollment is open to all students. Charter schools are independently-operated and held accountable to the performance standards they agree to in their charter and by their communities.*

## OUR PROMISE

### Affirmation

We see each student as an individual, matching what sparks their curiosity with what and how we teach.

### Joyful Excellence

We challenge our students' minds while nurturing their joy of learning.

### Community

We join together with families and communities, partnering to pursue the more just world we all want to see.

### Collective Power

Together, our students are lighting ever-wider paths to opportunity and change. For themselves. For all those who will follow them. And for us all.

### Optimism

Together, we are working toward a just world with no limits, and it starts at our schools.

# STUDENTS

Every day, KIPP students and alumni across the country deploy their smarts and heart to break through any barrier that dares stand between them and the future they want. Because KIPPsters know they have everything they need inside, and a KIPP family at their backs.

## KIPP:Public Schools

# ALUMNI

KIPPsters set a high bar for their futures. For some, that means being the first in their family to graduate from college or buy a home. For others, it means serving our country or creating a business. So KIPP schools ensure each student has the skills and confidence to pursue any path that leads to their highest aspirations.

Through KIPP Forward, we're supporting students to discover what a fulfilling life means to them, then break through any barrier that dares stand in their way of achieving it. KIPP supports students to choose and prepare for the educational and career paths that fit their goals and sense of purpose.

Once on their way, KIPP Forward teams help alumni keep moving forward, tackling academic, social, and financial challenges they might encounter while pursuing their dreams. And through the KIPP Alumni Network, our KIPP family is creating powerful connections, and ascending together with networking, mentorship, leadership training, and more.
